

99 Actions

Memorandum

Date: September 10, 1998

To: CALFED Policy Group

From: Lester A. Snow *K. Howard for L.A.S.*
Executive Director

Subject: 1998-99 Actions and Assurances

Summary

At the August CALFED Policy Group meeting, the list of proposed 1998-99 Actions and Assurances was discussed. The 1998-99 actions are listed as Section 9 in the *Draft Preferred Program Alternative, 30 year Policy framework*. This list of actions was developed to show continued progress in implementing, coordinating, and expanding ongoing project specific actions to provide additional benefits for environmental, urban, and agricultural users where it is consistent with the CALFED Program.

Attached is the modified 1998-99 Actions Table with the lead staff person that was identified at the Policy Group meeting. To help ensure continued progress on the 1998-99 Actions, regular reports will be made to the CALFED Management Team and a status report prepared for each action.

Action

Concurrence Item. Policy Group will be asked for concurrence on the list of actions, the lead staff identified for the 1998-99 actions, and the process for tracking and promoting progress in implementing the actions.
